

Shan Pest Control Services, Inc.

NOTICE FOR PEST CONTROL FOR ROACHES – GEL APPLICATION

Unit:

Your residence will be serviced _____, between 9:00am to 5:00pm

YOU MAY REMAIN IN YOUR UNIT DURING AND AFTER THE TREATMENT

KITCHEN & BATHROOM

- Please make sure that the technician can reach the back corners of the upper and lower cupboards without obstruction
- Please empty the lower cupboard areas around the pipes or where there are access panels present to allow for a proper application
- Please ensure that no food items are left out at the time of service. Stored properly in containers or placed in the fridge

AID IN THE CONTROL OF COCKROACHES

- Maintain Good Housekeeping
- NEVER SPRAY insecticides around bait placements or it will contaminate the gel and prove to be ineffective in the control efforts

DETACH AND RETURN TO SUPERINTENDENT

In accordance with the regulation of the Landlord and Tenant Act, I agree to have my suite treated for pest control.

SHAN PEST CONTROL SERVICES INC.

NOTICE FOR PEST CONTROL SERVICE FOR ROACHES

SPRAY TREATMENT

Your residence will be serviced ____ / ____ / ____ between 09:00am to 05a:00pm.

PRIOR TO SERVICE

- Empty all kitchen cabinets. Remove and empty all drawers (the stove drawer too) of all food, dishes, cookware etc. Put everything on the table or floor area away from the walls, and cover with a sheet or blanket to protect from the pesticide.
- Clear counter of all appliances except Microwave.
- Remove all items from on top and above cabinets.
- Remove shelf paper or liner if possible.
- Wash all cabinets, cupboards and drawers thoroughly before service.
- Remove all items from the bathroom medicine cabinet and vanity.
- If you have pests in closets, bedroom, storage area or dresser drawers, please leave a note on the fridge and empty these places for your health and protection.
- Please plan to vacate your apartment for a minimum of FOUR hour following service.
- **PETS: FISH** - cover tank with plastic wrap, unplug air pumps and cover with a towel or blanket. **DOGS, TURTLES, HAMSTERS, BIRDS** must be REMOVED from the unit during treatment.
- **Pests have been seen:** (Please leave on kitchen counter)

Small children, persons with respiratory problems and/or allergies must vacate the premises during the service treatment. Please plan to leave for 4-6 hours. If you are PREGNANT or use OXYGEN please call the office before service.

SAFETY * SERVICE * SATISFACTION
